

# THEORY of CHANGE

## Community Radio Stations

### What is the problem we are trying to solve?

Access to information of local and national content restricted by insufficient coverage of radio broadcast signal in wide areas of the country and lack of local radio stations.

### What are the wider benefits we work to achieve?

### What is our purpose / long term change?

### What do we invest into the project?

### What are we doing to bring about change?

### What will change in the short term?
